soundBrilliance™

Unlocking the healing potential of *music.*

soundBrilliance layers precision-engineered audio, natural visuals and expert guidance over music you already love, so you can direct how you feel: calmer, more focused, better rested.

Enhanced music

Subharmonics, binaural beats and neural entrainment.

Natural visuals

Nature-based imagery by artist Linden Gledhill.

Expert guidance

A real human voice that guides each session.

Perform · *Motivate* · *Create* · *Comfort* · *Recover* · *Calm* · *Sleep*
