VIXL 0.21.0 / IMAGE DOCUMENTS FOR AI AGENTS

EDIT. CHECK. SHIP.

Layered designs your AI agent can build, measure and fix, then export to PNG, SVG, vector PDF, PowerPoint, HTML, GIF or MP4. Text, vector paths, masks and pages stay editable.

For agents

MCP server with 180 operations, atomic batches and structured errors.

For checks

Contrast, overlap, bounds, safe areas, fonts and print ink, before export.

For print

Bleed, trim, CMYK PDF and TIFF with TrimBox and BleedBox.
