
Designs you can read like code

Layered documents, built one batch at a time

What one document can hold

- Vector, text, pixel and drawing layers
- Pages for slides and carousels
- Charts bound to real data
- Forms, merges and print-ready PDF

RADIAL COPIES

36

Rays in the poster sunburst, one radial-repeat

A design is a list of decisions. Write them down.

— Vixl working notes

Where the work goes (illustrative values)

Values are placeholders for the demo, not measured counts.
