Vixl

THE VIXL FIELD GUIDE

Programmable. Editable. Checked.

01

Design

Layouts, type, vectors, masks and emoji. Text stays text.

02

Explain

Charts from real data, routed diagrams, decks, fillable PDFs.

03

Animate

Keyframes, posable characters, cameras, audio, app states.

04

Repeat

One recipe plus a CSV makes a whole campaign.

05

Review

Checks and suites catch it before the print shop does.

06

Deliver

PNG to PPTX to CMYK PDF. The .vixl master comes too.
